

Interview Summary:

In response to the Examiner's Interview Summary dated January 29, 2009, Applicant hereby submits a summary of the interview.

A telephone interview took place for the subject application on January 27, 2009, with Examiner Dews and Applicant's Attorney. Applicant's Attorney hereby submits a summary of the interview. There was no exhibit or demonstration of the invention provided during the course of this interview. The interview focused on an amendment to the claims submitted together with a Response to the First Office Action. More specifically, Applicant's Attorney provided an oral explanation of the invention to the Examiner, and then identified the points of novelty as reflected in the claims. The prior art references as applied in the outstanding rejection were discussed, and specifically how the amended limitations pertaining to the centralized queue for management of messages at the network level teach away from the prior art reference applied by the Examiner.

Applicant believes that a full and complete reply has been made to the Examiner's Interview Summary. If the Examiner believes, for any reason, that personal communication will expedite prosecution of the application, the Examiner is hereby invited to telephone the undersigned at the number provided.
